Unfortunately, not all of Ceony's thoughts have been focused on paper magic. Though she was promised romance by a fortuity box, Ceony still hasn't broken the teacher-student barrier with Emery, despite their growing closeness. When...

Review: The first book in this series, The Paper Magician, was so refreshingly imaginative, with such a bright and unique heroine, that I read it one sitting. Unfortunately, The Glass Magician was not as satisfying. Waaaaay too much he loves me, he loves me not. And why did the intelligent heroine from book one spend the second book lurching from one stupid...
